

Election of Auditor

Proposal

The Secretariate and the Chairmanship of Danish Quantum Community proposes, that RI Revision og Rådgivning is elected as new auditor replacing PWC.

The recommendation is not influenced by any 3rd party interests or prior agreements with the proposed auditor.

Criteria for selecting and proposing a new auditor:

It is our assessment that RI Revision and Rådgivning has all the necessary qualifications and experience to audit Danish Quantum Community. Main criteria for recommending the change includes:

1. Responsiveness and professionalism in providing an offer to DQC for auditing of the annual statement for 2025
2. Experience in working with smaller organisations including organisations with external funding (grants)
3. Price
