The Board of DQC proposes the following 2 amendments to the Rules of Association to be approved on the General Assembly on June 4th 2025:

To secure predictability in the income from membership fees to DQC, the Board proposes the following amendment to §3 in relation to notice of resignation:

“Notice of resignation of membership must be sent in writing to the association. If a notice of resignation is received no later than June 30th in any given year, the resignation will become effective from January 1st the following year”

Amendment 2 to § 3 MEMBERSHIP: Associated partners

To meet an increasing interest from several foreign companies to become partners in DQC and to support the Danish MFA ´s (Ministry of Foreign Affairs) efforts to attract foreign companies to Denmark the Board proposes the following amendment to §3:

“DQC may admit international stakeholders contemplating setting up a Danish legal entity as associated partners for a period of maximum two years. Associate partners will pay the same membership fees as ordinary partners, but they will not have any voting rights, and they will not be eligible to DQC’s BoD.”
